It means so much to me that you'll be at my child's christening when they'll be baptized. It's the start of an amazing journey of discovering more about faith, hope and love throughout their lifetime.

Over the years to come, you'll help us on this journey by:

- * Being there for my child to talk about the bigger questions of life
- * Praying for them through the ups and downs of their faith journey
- * Showing them how to make good choices in life for themselves and for others
- * Helping them to learn more about the Christian faith, through their church and in other ways

Thank you for being
such an important
part of our family

Each time you notice this card, take a moment to pause and think of your godchild. Remember too all the children in your family, and children across the world.
